

Volunteer Opportunities with ATP's Public Relations and Outreach Program

Filming/Editing

ATP seeks a filmmaker. An interest in the environment and conservation will be an asset.

Key Responsibilities:

- Develop and film short promotional videos to be released on ATP's website and various online media outlets
- Film environmental education material similar to Khan Academy (www.khanacademy.org) for release on ATP website
- Teach ATP staff the basics of film and editing techniques
- Teach and work with local eco-club students on film projects

Writer/Journalist

ATP seeks writers and journalists. An interest in the environment and conservation will be an asset.

Qualifications and Key Responsibilities:

- Native fluency in English with excellent writing skills
- Willingness to visit remote villages and interview people; material will be used for donor proposals and press releases
- Conduct research on environmental issues effecting various parts of Armenia; research will be published online by ATP
- Collaborate with the PR manager to write monthly press releases
