If so, what medication(s)? _____

3. Do you have any medical condition(s) of which we should be made aware?
(Yes or No) _____
If so, what condition(s)? _____

PROGRAM INFORMATION

The Armenia Tree Project (ATP) Summer Volunteer Program organized in cooperation with Birthright Armenia/Depi Hayk Foundation offers the chance to work on programs related to Public Relations and Outreach, Environmental Education, and Sustainable Development. ATP is ready to accept diasporan volunteers for 8-week long periods of time or longer.

A Diaspora-supported non-profit organization, ATP conducts vitally important environmental projects in Armenia's impoverished and deforested zones and seeks support in advancing its reforestation mission. Since 1994, ATP has planted and restored millions of trees and created hundreds of jobs for Armenians in seasonal tree-regeneration programs.

ATP works to further Armenia's economic and social development by mobilizing resources to fund reforestation. These vital new trees provide food, wood, environmental benefits, and opportunities for economic growth. Our goal is to assist the Armenian people in using trees to improve their standard of living and protect the global environment. In so doing, we are guided by the need to promote self-sufficiency, aid those with the fewest resources first, and conserve the indigenous ecosystem.

The applicant must meet the following criteria:

1. Minimum stay of two months, working with ATP for at least 30 hours a week
2. Must be of Armenian heritage (at least one grandparent)
3. Must be in the 20-32 age bracket
4. Must be a high school graduate
5. Former citizens of Armenia are only eligible if they can prove, with official documentation, that they left Armenia before the age of 12
6. Have not previously been sponsored by Birthright Armenia

Applicants selected by ATP must apply to Birthright Armenia/Depi Hayk Foundation for reimbursement of their air ticket. For more information visit the Birthright Armenia Web site at www.birthrightarmenia.org

Participants are strongly encouraged to consider home stays during the program, which will enrich their internship experience in Armenia. Interns are responsible for their housing expenses during the program, and Birthright Armenia has identified and screened families that are willing to host interns for home stays.

Birthright Armenia will reimburse participants for the first month of their home stay expenses, with the participant being responsible for the remainder of the cost (est. \$150 per month including laundry and one meal per day), which tends to be significantly less than apartment living. Birthright Armenia also provides language instruction, in-country orientation workshops, and free in-country excursions for participants.

HOW TO APPLY

Step 1: Complete the enclosed application packet, which includes:

- Application form
- Intern essay
- Emergency contact information
- Health questionnaire

Step 2: Gather the following materials and submit with your application packet:

- Transcript of grades
- One sealed letter of recommendation (via mail)
- Resume
- Copy of your passport

Step 3: Send or fax your application and additional materials to:

Armenia Tree Project Volunteer Program
65 Main Street
Watertown, MA 02472 USA
Fax: (617) 926-0006
Email: info@armeniatree.org

Volunteers are encouraged to apply early since the number of positions available is limited.
